

**Andrii KAVUNETS**

Deputy Head of the Vinnytsia Regional Military Administration, responsible for digital development, digital transformation, and digitalization (CDTO), Ukraine

Andrii KAVUNETS is an experienced leader in regional development and international cooperation, with over 18 years of experience in cross-border collaboration and project management. Since 2016, he has served as Executive Director of the NGO “Euroregion Dniester,” promoting cooperation between Ukraine, Moldova, and other countries, managing international projects, and supporting reform initiatives.

Andrii KAVUNETS is also Chairman of the Regional Resource Information Centre for Communities of Vinnytsia Region (since 2013), where he oversees local development and capacity-building projects, and Vice Chairman of the International NGO “Ukraine-Poland-Germany,” fostering trilateral cooperation and partnership initiatives.

Previously, he served as Vice Chairman of the Secretariat of the Association of Local Authorities of Vinnytsia Region (2013–2016), coordinating regional programs and municipal partnerships.

He holds degrees in Engineering from Vinnytsia National Technical University and in Management from Vinnytsia State Trade and Economic Institute. He is proficient in English and Polish.
