

Tetyana ZBYRAK is the Acting Director of the Regional Development Agency of Ivano-Frankivsk Region, where she leads strategies and projects aimed at regional economic and social development. She oversees initiatives funded by national and international programs, including Interreg Europe, HUSKROUA, and CFLI, and builds partnerships with local governments, businesses, NGOs, and international organizations to foster collaboration.

Previously, Tetyana served as Head of the Investment Projects Attraction and Support Division at the Ivano-Frankivsk City Council, managing investment projects, coordinating stakeholders, and supporting cross-border cooperation initiatives. She also held the position of Chief Specialist for International Organizations, where she developed partnerships with international institutions and foundations, and served as Advisor to the Mayor, providing analytical support and policy recommendations to improve municipal governance.

Tetyana ZBYRAK's extensive experience spans regional development, international cooperation, investment management, and project implementation, making her a recognized expert in fostering sustainable growth and cross-border collaboration.
